Minor Expedited Subdivision Fee

No initial Fee, although other fees will apply

Improvement Plan Review Fee

No charge if Improvement Plans are self-certified by a professional Civil Engineer registered to practice in the State of Arizona. If plans are submitted for County review, the fee would be \$126 per sheet if qualified County staff is available to review them. If necessary, the County will submit plans to the County's designated consulting engineer for their review and the full cost of this review will be paid by the subdivider, typically \$200 per sheet. The subdivider may elect to pay a fee for an "expedited review" of the plans by the County's consulting engineer; the cost for this review would be double the normal fee charged by the consultant, typically \$400 per sheet, and the timeframe for the consultant's expedited review would be half the normal time, typically, less than one week.

Drainage Report Review

\$350 for the 1st and 2nd review plus \$116 for each additional review of subsequent revised reports if the reports are reviewed by County staff. If necessary, the County will submit the report to the County's designated consulting engineer and the full cost of their review will be paid by the subdivider/developer, typically \$500 per review.

Traffic Impact Analyses (TIA)
Or Traffic Study Review

\$320 for the 1st and 2nd review, plus \$107 for review of each subsequent revision if the report is reviewed by County staff. If necessary, the County will submit the report to the County's designated consulting engineer and the full cost of their review will be paid by the subdivider/developer, typically \$500 per review.

Page 5 of 6 Revised 01/05/15

No charge for pre-application review of basic or conceptual plats by County staff. The initial Tentative Plat and the Final Plat fee covers the costs of one required Subdivision Committee Meeting each. Any additional necessary Subdivision Committee meeting(s) will require an additional \$150 per meeting for County staff participation. If the County's consulting engineer commented on the plat and participates in the meeting, the subdivider will pay the full costs charged to the County by the consulting engineer, typically an additional \$350 which includes travel expenses.
